*Ask us about our*

## 'Helping Hands' Capital Appeal

We need to raise an additional **£1 million** for:

- **Improving** patient privacy by converting 6 of our existing beds into single-bedroom accommodation
- **Adding** an extra three bedrooms, taking it from 11 to 14 bedrooms in total
- **Enhancing** our education and training facilities for colleagues in end of life care in North Wales

**William Roache MBE**  
(Honorary President of  
St David's Hospice, Llandudno)

"As President of St David's Hospice, I have seen at first hand the excellent care given to patients and their families from North West Wales. Thank you for so kindly allowing the Hospice to achieve so much in the last 12 years and on behalf of all at the Hospice, I ask that you assist them in 'building for the future.'"
