Therapy Centres | Inpatient Care | Hospice at Home

Welcome to the St David's Hospice Café Dewi.

Thank you – All the profits from every cup of tea or delicious home-made cuisine enjoyed at Café Dewi will make a lasting difference to the lives of people of Conwy, Gwynedd and Anglesey.

Here for you in your local community.

St David's Hospice is an independent charity, caring for local people, delivering specialist care to adult patients with life-limiting illnesses or those in need of end-of-life care and their families.

Offering 24-hour care, 365 days a year, the charity provides a clinical service alongside emotional, physical and spiritual support.

The Therapy Centres in Bangor and Llandudno provide patient care, bereavement and counselling services, whilst our Inpatient Units in Llandudno and Holyhead (Satellite Unit) and Hospice at Home services offer symptom control, respite and end of life care.

It costs over £5 million each year to run St David's Hospice. The majority of this comes from community fundraising. None of these costs are passed to the patients, their families or carers, because St David's Hospice care is free to all.

Thank you for your continued support.

Shops

We have 22 retail shops across North West Wales. The shops sell a variety of goods including: clothes, accessories, toys, books, CDs, furniture, electrical goods and bric-a-brac. Why not call in and browse!

Our four Donation Centres offer a quick and easy way to drive in and donate your unwanted items to St David's. We also have a dedicated eBay page for larger or rarer items.

A gift in your will

A gift in your will won't cost anything during your lifetime but could make a lifelong difference once you are gone. One in three hospice patients are funded by gifts in wills and without this wonderful way of giving, our care simply would not exist.

Thank you for your continued support.
